EDUCATION

• KL University, Vijayawada	2023-2027
BTech Computer Science Engineering with Specialization CyberSecurity and Blockchain Technology	CGPA : 9.13
• B.S.Patel	2021-2023
Higher Secondary Certificate, Maharashtra	Percentage: 72
• Sahakar Vidya Mandir	2020-2021
Secondary School Certificate, Maharashtra	Percentage: 86.5

EXPERIENCE

• Frontend Developer	Sept'24-Present
– Developed responsive and dynamic user interfaces using HTML, CSS, and JavaScript.	
– Implemented reusable components to enhance development efficiency.	
• Backend Developer	Nov'24-Present
– Developed the backend for a price comparison system, enabling users to compare product prices across multiple platforms. Focused on efficient data processing and seamless database integration.	
– Built a backend for a price comparison system, enabling real-time product price analysis with efficient data processing and seamless database integration.	
• Intern At TwiLearn	Jan'25-Present
• Assisted in developing educational content tailored to diverse learning needs.	
• Contributed to the design and implementation of e-learning modules.	
Collaborated with cross-functional teams to enhance user engagement on the platform.	

PERSONAL PROJECTS

• Ecommerce Website	Aug 2024
Developed a web application that compares product prices from Amazon and Flipkart.	
– Tools & technologies used: React, Node.js	
– Optimized performance for accurate and fast price comparisons.	
• Foodio: Online Food Ordering System	Nov 2024
Developed Foodio , an online food ordering system using Python , real-time order tracking.	
Tools & technologies used: Python , Django	
•Implemented key features like restaurant listings, menu browsing, cart management, and order tracking.	

TECHNICAL SKILLS AND INTERESTS

Programming Languages: C, C++, JavaScript , Java ,Python
Tools & Environments:Linux, Git, NPM
Tech Stack: React.js , Django, Node.js, Express.js
Databases & Cloud Services: MySQL, MongoDB, PostgreSQL

ACADEMIC AND EXTRACURRICULAR ACHIEVEMENTS

- Consistently maintained a strong academic record in Computer Science Engineering.
- Participated in coding competitions and hackathons.

ACHIEVEMENTS

•Linguaskill - Cambridge University Press & Assessment	Aug 2024
•Microsoft Cloud Computing	Aug 2024
•Python Developer Certification IIT Madras Pravartak	Sept 2024
•Salesforce Certified AI Associate	Nov 2024
